

***More people cycling more often***

**The Management Committee of the Bicycle NSW Environmental Trust is appointed by the trustee which is Bicycle NSW.**

**GEOFF MARTIN** (Appointed November 2007)

Geoff, his partner and two children are all members of Bicycle NSW and all enjoy recreational cycling. Geoff's use of the bike with his family does not stop there. He often commutes to work by bike and rides with Dulwich Hill Bicycle Club on training rides, criterium races and the occasional road race. Geoff is also President of Dulwich Hill Bicycle Club, which is affiliated with Cycling NSW, the sporting administrator for road and track cycling. Therefore Geoff is in touch with all the challenges fellow cyclists face on a regular basis.

Geoff's experience in the finance industry, more recently as a human resources professional, has provided him with experience to help drive outcomes in Bicycle NSW where he served on the Board between 2006 and 2008. His contributions included input into and review of a 360-degree tool used in the review and development of Bicycle NSW employees and executive, and Geoff was also a driving force in the development of a Strategic Plan for the organisation.

**HILARY WISE** (Appointed November 2007)

Hilary moved to the north coast of NSW in 2007 where there are plenty of great rides to indulge her passion as a keen "amateur cyclist". Her career background in policy and advocacy roles has spanned the non profit, corporate, and government sectors both in New Zealand and in Australia with roles centred on her long term interest in environmental sustainability, with a particular emphasis on transport issues. In addition Hilary has served on a range of Boards and Management Committees in the Third sector, notably as Vice Chairman NSW Chapter - International Chartered Institute of Logistics and Transport, Vice President - The Glebe Society, President – NSW Women in Transport,

**GREG KRIX** (Appointed November 2009)

Greg served on the Board of Bicycle NSW from 2003 to 2009. He would like to continue to assist in creating a strong financially viable Bicycle NSW that can continue to strengthen the support for bike riding in NSW. Greg works has a passion for working as part of a team and recognises that diverse teams can deliver the strongest results.

His experience with cycling goes back to riding bikes up and down the farm track as a child, then cycling to school, university and now riding to work. He enjoys both recreational and commuter cycling in and around Sydney.

Greg is currently the President of BURSTBUG (Burwood Strathfield Bicycle User Group). As part of BURSTBUG he runs a Bike Bus into the city (ride to work) from Homebush twice a week and recreational rides around Burwood and Strathfield.

***Life's better on a bike!***
